Stock, Securities, IRA Accounts and Donor Advised Funds

Stock and Securities

Receive the greatest tax benefits with a gift of appreciated stock. For more information call your personal financial advisor. You may also contact Sandy von Thelen, Treasurer, at 434 971-8557 or svonthelen@BBTScottstringfellow.com for details.

IRA Charitable Transfer

If you are 70½ and have a traditional IRA, an IRA charitable transfer may be the most tax-wise gift for you. You may transfer up to \$100,000 annually directly from your IRA tax-free. For details, consult your financial advisor or call our office. Emmanuel can provide you a sample letter to send to plan administrator.

Donor Advised Funds

If you have a donor advised fund (DAF), you recommend grants to charity from your DAF. Please let us know that you will use your DAF to make gifts unless you wish to remain anonymous.

Matching Gifts

Check with your employer. Some employers match contributions to charitable organizations. This benefit may double your gift.

Questions about stewardship? Call the office. Check with your financial advisors to learn more about the tax benefits and consequences of charitable giving.
